SUMMER HOCKEY ACADEMY

JUNE 19—August 13, 2017

Ohio Business Machines

Preferred Provider of Copiers
and Document Services
for the Cleveland Browns.

STRONGSVILLE, OHIO

SKILLS—TUESDAY EVENINGS

We will focus on developing all aspects of a hockey player through drills designed for skill development. Players will spend the majority of the time with a puck on their stick learning to control the puck while working on footwork at a high intensity of training. **Points of emphasis: Stick handling, shooting, passing and footwork.**

Tuesdays (No Session July 4th)

June 20, 27, July 11, 18 & 25, August 1 & 8th

Times: Mites/Squirts 6:00-7:00 pm

Peewees/Bantams 7:10-8:10 pm

3 v 3 SESSIONS SUNDAYS

We will focus on small area games. Playing 3 v3 at the younger levels and full ice games at the older levels with some 3v3 mixed in. 3v3 creates a small area where players are put in a position to move the puck and make decisions faster and also allows for more touches to the puck and quickness of feet and decision making.

Sundays (No session on July 2nd)

June 25, July 9, 16, 23, 30, August 6 & 13th

Times: Mites/Squirts 5:30-6:30 pm

Peewees/ Bantams 6:40-7:40 pm

POWER SKATING—
MONDAY AND WEDNESDAY 4:30-5:30 pm

Power skating classes are designed to improve a skater's ability to increase power, stamina, foot speed and stride technique, Focus will be on breaking down the stride and learning to create power through full extension of the stride, proper crossover technique and edge quality. Rigorous exercises and drills will enhance a skater's on-ice agility, quick feet and take the skater out of their normal comfort level. Points of Emphasis: Stride Mechanics, Balance, Edge Work and Agility.
